

COMPANY PROFILE 2020

Agritek
Grow better

A close-up photograph of a black spray nozzle emitting a fine mist of water droplets. The background is blurred, showing green foliage.

WHY AGRITEK?

Farmers all over the world make choices about how they set up and run their farms. Agritek helps them make the best choices for their farms. We do this by providing advice and innovative solutions that contribute to efficient farm management.

OUR ROOTS

Founded in Abu Dhabi, the capital of the United Arab Emirates, Agritek seeks to impart agriculture wisdom—both ancient and modern—to farms all over the globe. We offer sustainable solutions for farmers looking to use equipment more efficiently; improve the quality and quantity of their production; minimise the impact on the environment; as well as reduce risks associated with extreme weather conditions and climate change. We integrate cutting edge technology and industry expertise into all agriculture products and services that we offer, which are characterised by their quality, flexibility, and cost-effectiveness.

MISSION & VISION

OUR MISSION

- Fostering agriculture innovation by utilizing smart and Green technology.
- Empowering Farmers to achieve long-term growth by introducing them to high-performance precision farming to sustainability feed the planet.
- To grow sustainably into a world-class partner offering the finest products and services.
- Bringing Efficiency into Farms Operations and Processing by implementing the latest technology.

OUR VISION

To advance the future of farming and food security using sustainable effective and high-tech solutions

OUR VALUES

In the ever-changing world of agriculture, Agritek's core values are constant and are built on four key principles.

INNOVATION

We constantly strive to develop new ways to improve the sustainability of agriculture.

DISTINCTION

We take pride in the selection of our products, services, and suppliers, and we are always committed to excellence.

EMPOWERMENT

We build trust with communities by providing consistent quality and superior products and services at a great value.

ACCOUNTABILITY

We take responsibility for our products and services and always commit to excellence.

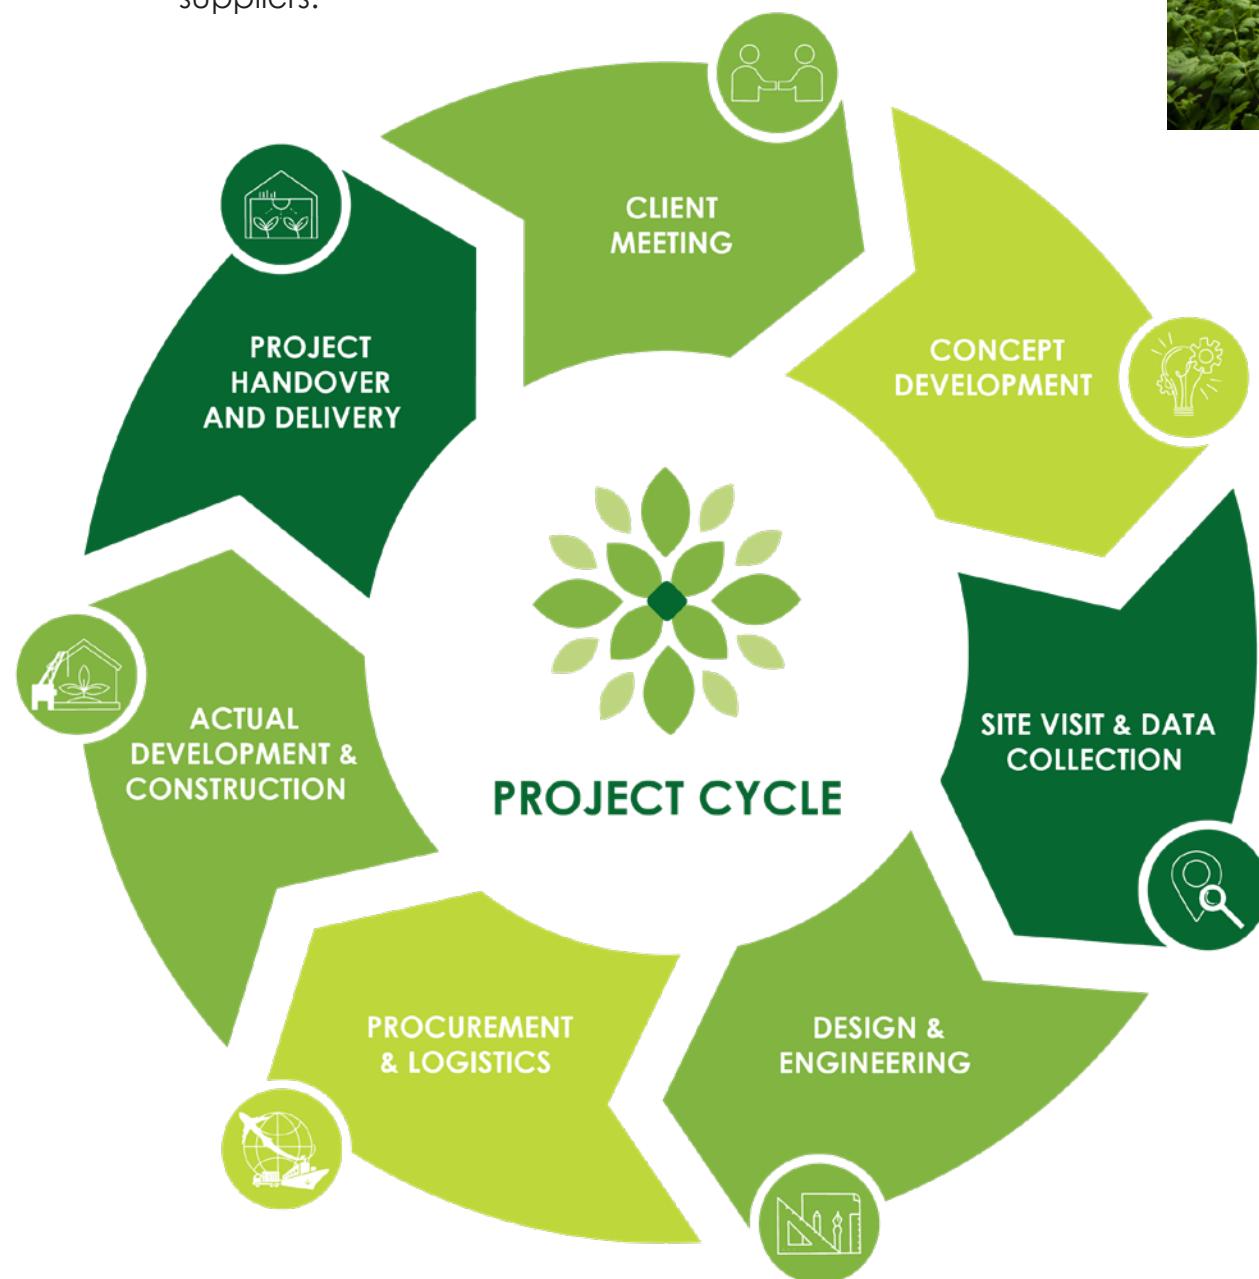

SUSTAINABILITY

We will give more than we take.

PRODUCTS & SERVICES

We provide complete agriculture solutions to help farms develop more sustainable agricultural practices with agricultural products from trustworthy multinational suppliers.

OUR TEAM

We are a mission- and values-driven company with a world-class team. Our international expertise spans across the agricultural industry. We are proud to have brought a team from world-leading organizations to grow Agritek.

Agritek Agricultural L.L.C. understands that our employees are the company's most important asset and therefore their health and safety is our foremost concern. We are dedicated to delivering optimum working conditions and a securing a healthy work environment at all times, with no exceptions. We commit to continually review and improve the health and safety practices of our operations and our processes.

We grow better by delivering safety first.

ROOTED IN INNOVATION

We are passionately working to develop a healthier society and a thriving planet through smarter farming. Our work spans the globe with projects currently in the Middle East, Africa and Europe.
